

# How to book

**The quickest and most convenient way to book is on-line at:**

**[www.theoldoriginal.co.uk](http://www.theoldoriginal.co.uk)**

**Parties up to six people** – Please make a reservation on-line or phone

**01457 874412**

**Parties over six** – please phone 01457874412 so that we can accommodate you all together, as on-line bookings are allocated tables by magic!

**The best time to call is after 4pm weekdays and after 1pm at the weekend.**

Whilst we welcome customers who have not booked if we have space, the only way to be sure of getting a table is to make a reservation.

At certain times & for large parties we may ask for a small holding deposit which will be deducted from your final bill, if you have to cancel your booking this deposit is fully refunded providing you cancel, at the latest, the day before your booking.
