For tables up to six you can book on this website.

For parties of seven and over please call 01457 874412 after 4pm weekdays or 1pm at weekends. Please do not try to book multiple tables as this may mean your party will be split up as the software cannot recognise that you are trying to make a party booking.

Please ensure that you leave a phone number we can contact you on to confirm your booking and take a holding deposit of £10 per person.

All deposits taken will, of course be deducted from your bill when you dine with us.

Should your plans change due to illness your deposit will be fully refunded provided you give us 24 hours notice.
